## Andy Warhol: 5 Deaths

“When we were making the *5 Deaths* paintings, with the car upside down and the people underneath, Andy asked, 'Are they still alive?' as if the accident had actually occurred in front of us.” --Gerard Malanga

Within Warhol's *Death and Disaster* series, the so-called *Car Crashes* comprise the most numerous and diverse set of images. As Gerard Malanga writes in his accompanying essay, “We would return to this silkscreen again and again for several months; in effect, the first painting repeated many times over, this initiating Andy's serial imagery on separate identically shaped canvases, and anticipating the *Flower* paintings to come.” The book also includes a contemporary interview between Malanga and Jeff Koons as well as a reprint of an interview between Malanga and Warhol from 1963.
