## **Captured: Book one The Captive Series (Volume 1)** Erica Stevens

Blood Slave. Captured, taken from her beloved family and woods, Aria's biggest fear is not the imminent death facing her, but that she will be chosen as a blood slave for a member of the ruling vampire race. No matter what becomes of her though, Aria knows that she must keep her identity hidden from the monsters imprisoning her. She has already been branded a member of the rebellion, but the vampires do not know the true depth of her involvement with it, and they must never know. Though hoping for death, Aria's world is turned upside down when a vampire named Braith steps forward to claim her. He delays her execution, but Aria knows it's only a matter of time before he drains her, and destroys her. Especially once she learns his true identity as a prince within the royal family; the same royal family that started the war that ultimately brought down humankind, reducing them to nothing more than servants and slaves. Aria is determined to hate the prince, determined not to give into him in anyway, but his strange kindness, and surprising gentleness astonish her. Torn between her loyalties to the rebellion, and her growing love for her greatest enemy, Aria struggles to decide between everything she has ever known, and a love she never dreamed of finding. This book contains some language, violence, and sexual situations. Recommended for ages sixteen and up. Edited by Leslie Mitchell at G2 Freelance editing and re-released 2/6/13 Cover designed by www.EbookLaunch.com

#### **Jessica Ball:**

The reason? Because this Captured: Book one The Captive Series (Volume 1) is an extraordinary book that the inside of the publication is waiting for you to snap it but later it will surprise you with the secret it holds. Reading this book adjacent to it was a fantastic author who else writes the book in such an incredible way makes the content inside easier to understand, an entertaining technique but still conveys the meaning entirely. So, it is good for you because of not hesitating having this ever again or you going to regret it. This book will give you a lot of advantages that other books get such as help improving your ability and your critical thinking means. So, still want to hold off having that book? If I were being you I will go to the publication store hurriedly.

#### **Lena Stubbs:**
