Book two in the *Hashtag Series!*

The Hashtag series is the winner of Best Contemporary Series of 2015 (UtopYAcon 2015)

Romeo from the Hashtag series is the winner of Best Contemporary Lead (UtopYAcon 2015)

It started with unspoken animosity. The bitter bite of jealousy. And now its full blown hate.

It was during my first football game that I first felt the first chill of hate. I looked it right in the eyes and felt its sticky tentacles reach out for me. I'd never experienced something so cold and empty before.

The effect of that look lingered, like an unspoken promise, long after it was gone.

Becoming a couple - becoming the other half of a campus celebrity wasn't easy. I let down walls guarding my heart and he looked past my glasses and accident prone tendencies. Romeo and I are an unlikely match, a #nerd and a jock. But we made it.

And we're happy.

Zach doesn't want us to be happy. He wants Romeo to pay for getting him kicked out of Omega and for the night he spent in jail. He's going to use anything and everything he can to get his revenge. Including me.

As the weather on campus grows cold and the days become dark, revenge becomes the center of someone's life and the happiness Romeo and I worked so hard for is threatened.

I can't help but worry that our love is going to be overshadowed by hate.
