Presidents & Near Presidents I Have Known Lionel Rolfe

Lionel Rolfe, the author of *Presidents & Near Presidents I Have Known*, has written seven books, but none is devoted directly to politics. His books, including such titles as *Literary L.A.* and *The Uncommon Friendship of Yaltah Menuhin and Willa Cather*, have been about classical music, history, religion, philosophy, literature and culture. But Rolfe has also been a working newsman for years, published in such newspapers as *The Los Angeles Times* and the *San Francisco Chronicle*. *The Guardian* of London described him “an LA-based raconteur and journalist” when heralding his book *Literary L.A.* Even though he has written widely on politics in newspapers and on websites, he has never penned a book about politics. Now he writes about person to person encounters with Hubert Humphrey, Ronald Reagan, Eugene McCarthy and Gerald Ford, as well as a huge array of other wild characters. He pegs the perplexing times we live in with deadly accuracy.
