When the ship is overtaken by African pirates who are demanding the U.S. send AIDS relief to a small Zulu village in South Africa, it is up to Prescott to keep the 400 hostages alive. As the U.S. tries to figure out how to combat the terrorists' plot from the outside, World Health Organization doctor, Gina Brady, undertakes the impossible task of rescuing three children from the secluded village. As the deadline draws near, Prescott and Brady must race against the clock to discover the truth; is it AIDS relief the pirates seek or a two billion dollar ransom from one of the richest men in the world. Or could the implications be so profound, and the stakes so high, a war hangs in the balance.
