## The Lord's Prayers: Each and Every Prayer in the Bible

For the first time since 1611, when the Authorized Version of the King James Bible was completed, the complete list of the prayers of the Bible are available together and categorized. The Lord's Prayers and God's Book of Prayers both contain all the prayers of the Bible. The Lord's Prayers lists them in biblical sequence, with an exhaustive concordance of major words or phrases, while God's Book of Prayers separates each into nine categories for convenient reading. Both versions have some elementary analysis of all the prayers for better understanding of the whole of the prayers in Scripture, including the most common words in biblical praying. These volumes will help you to easily be able to pray God's Own Words! Most of us already use The Lord's Prayer, so why not use all of The Lord's Prayers? See all of His Prayers inside.
