Airline Transport Pilot: Complete Note Collection (B/W Paperback) Carsten Borgen

As a professional pilot it is crucial to keep your knowledge sharp, but going through all the ATPL subject publications again and again, would be an endless task. This book is written as a quick reference guide to pilots and aviation enthusiasts, in an effort to simplify the process of staying current and revising the theory you have already learned and possibly add to that knowledge. As you go through the book, whether it is simply to refresh a single or specific subject or it is to review the entire ATPL syllabus, you will find the book structured to give you maximum information using as few words as possible. The book is based on EASA ATPL theory and all information is purely factual. It is an interpretation of the subject matters researched from multiple ATPL publications and it combines it with personal experience and inputs from aviation professionals. Within a couple of hours a complete subject matter can be covered.
