In PLANET EARTH INC., VOLUME ONE, Ed Rychkun will take you on a remarkable 5000 year historical journey of the dark and light plight of Earthlings to free themselves from the Empire of PLANET EARTH Inc. Here you will learn how: the Global Elite gods have created the Luciferian corporate structure of conquest the means of conquest has become commerce, debt and religion the gods of Sumeria have created their dynasties to emerge into world power the gods of vengeance and greed now face their ultimate challenge of 2012 the End Times final prophesy to impose New World Order is at risk the truth is not black and white While shattering myths about Lucifer and Christ, Ed Rychkun maps out the Illuminati and royal Bloodline business plan of PLANET EARTH Inc and how at the turn of the century their secret New World Order plan came into risk. The book exposes a new truth about the private world of the Elite, Vatican and Jesuits; how they reap and maintain dominion over their Earthling slaves. Accepting the business strategy of polarity; divide and conquer through religion and commerce, Earthlings have provided their monetary and spiritual energies through a commercial utility called a Strawman. Ed reveals how acceptance of dominion over Spirit and Monetary affairs has brought humanity and Nations alike into subservience, bowing before false vengeful gods and the falsity of monetary debt. This book exposes a carefully crafted PLANET EARTH business plan, and the Lucifer-Christ duality of Novus Ordo Seclorum over centuries of bloodline control. Will the Earthling accept a fate of slavery even though the truth is hidden in plain sight? Or will the Earthling rise above polarity and face the Lucifer-Christ truth?
