Lynched Ed Gorman

A new novel of the Old West from the critically acclaimed author of *Relentless* and *Ghost Town...*

When Marshal Ben Tully came riding back into his town, there wasn't a soul stirring. Not the sprawled, bloody man outside his door. Not the stranger strung up out back.

Not his ravaged wife.

It would appear that a dirty kind of justice took over when he left. But now that he's back, not a soul responsible will stir for much longer.
