The Biggest Deer I Never Got: A Compilation of True Deer Hunting Stories, With Lessons To Be Learned. John L. brown

A Compilation of True Deer Hunting Stories, With Lessons To Be Learned. I started hunting forty two years ago and been there and done that. The stories in this book will help you in many ways, because there is a little bit about all the aspects of hunting deer. Most of these stories are about my mistakes and not of my good hunts that I went on, only to show you some of the stuff I did when very green. I could have added many more deer hunting stories, but thought that the ones I did add would be beneficial for there are many lessons to be learned. Everyone is different in every thing we do as individuals. The stories here are just to show the mistakes I made and the things I learned during my hunting trips, over a period of 20 plus years. I had many successful hunting trips, but wanted to tell the stories of most of my mistakes. I hope in some way, the reader can take some of my tips in this book to be a much better hunter, or at least, if you're a knew hunter, to learn the ropes much quicker then I did. Lots of luck on your next hunt.
