Liar's Poker (Norton Paperback) Michael Lewis

The time was the 1980s. The place was Wall Street. The game was called Liar's Poker.

Michael Lewis was fresh out of Princeton and the London School of Economics when he landed a job at Salomon Brothers, one of Wall Street's premier investment firms. During the next three years, Lewis rose from callow trainee to bond salesman, raking in millions for the firm and cashing in on a modern-day gold rush. *Liar's Poker* is the culmination of those heady, frenzied years—a behind-the-scenes look at a unique and turbulent time in American business. From the frat-boy camaraderie of the forty-first-floor trading room to the killer instinct that made ambitious young men gamble everything on a high-stakes game of bluffing and deception, here is Michael Lewis's knowing and hilarious insider's account of an unprecedented era of greed, gluttony, and outrageous fortune.

Denise Dennis:

Many people spending their time by playing outside along with friends, fun activity using family or just watching TV 24 hours a day. You can have new activity to pay your whole day by reading a book. Ugh, do you think reading a book really can hard because you have to bring the book everywhere? It ok you can have the e-book, bringing everywhere you want in your Touch screen phone. Like Liar's Poker (Norton Paperback) which is keeping the e-book version. So , why not try out this book? Let's view.

Albert Lightner:

As a college student exactly feel bored in order to reading. If their teacher inquired them to go to the library in order to make summary for some reserve, they are complained. Just minor students that has reading's soul or real their passion. They just do what the teacher want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that reading through is not important, boring as well as can't see colorful images on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Liar's Poker (Norton Paperback) can make you feel more interested to read.

Doris Whobrey:

Reading a guide make you to get more knowledge from it. You can take knowledge and information from a book. Book is composed or printed or highlighted from each source that will filled update of news. In this particular modern era like today, many ways to get information are available for anyone. From media social including newspaper, magazines, science book, encyclopedia, reference book, book and comic. You can add your knowledge by that book. Are you ready to spend your spare time to open your book? Or just searching for the Liar's Poker (Norton Paperback) when you required it?
