Timothy Williams:

As a university student exactly feel bored to help reading. If their teacher inquired them to go to the library or make summary for some publication, they are complained. Just tiny students that has reading's heart or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that looking at is not important, boring along with can't see colorful images on there. Yeah, it is to be complicated. Book is very important for yourself. As we
