Golfers. Drinkers. Animals. The Military. Relationships. Dan Quayle. Anything and everything is up for grabs in this extensive collection of hilarious jokes. After fifteen years down in the joke mines, author **Jim Cartwright** is covered in gag-dust, and he smells of clowns. It was all worth it though, because he managed to unearth some fantastic diamonds down there. This collection of over half a thousand jokes is the fruit of his labors, sorted into topics for your ultimate pleasure.

Now we have to be honest with you. Jokes are a bawdy business. There's strong language in here, along with severe mockery, insensitivity, and a serious lack of political correctness. All we can say is that just about everyone you can think of ends up on the sharp end somewhere or other.

We have tried to keep dark stuff out of the book, but it's one of those areas without firm definitions, and who's to say our view of 'dark' agrees with yours? So if you're easily offended, or of a sensitive disposition, please don't risk it. We want to make people laugh, not make them feel bad.

Still here? Great! Let's go have a good laugh together.
