**Get the test prep help you need to be successful on the MAT.**

The MAT is extremely challenging and thorough test preparation is essential for success. *MAT Secrets Study Guide* is the ideal prep solution for anyone who wants to pass the MAT.

Not only does it provide a comprehensive guide to the MAT as a whole, it also provides practice test questions as well as detailed explanations of each answer.

*MAT Secrets Study Guide* includes:

- A detailed overview of the Miller Analogies Test
- An examination of the analogy
- A guide to the relationships
- Comprehensive practice questions with detailed answer explanations

It's filled with the critical information you'll need in order to do well on the test: the concepts, procedures, principles, and vocabulary that the Harcourt Assessment, Inc. (HAI) expects you to have mastered before sitting for the exam. These sections are full of specific and detailed information that will be key to passing the MAT. Concepts and principles aren't simply named or described in passing, but are explained in detail. The guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language.

Any test prep guide is only as good as its practice questions and answers, and that's another area where our guide stands out. Our test designers have provided scores of test questions that will prepare you for what to expect on the actual MAT. Each answer is explained in depth, in order to make the principles and reasoning behind it crystal clear.

We've helped thousands of people pass standardized tests and achieve their education and career goals. We've done this by setting high standards for our test preparation guides, and our *MAT Secrets Study Guide* is no exception. It's an excellent investment in your future.
