**The Goliath Bone: A Mike Hammer Novel** Mickey Spillane, Max Collins

The best-selling American mystery writer of all time brings back his world-famous P.I. Mike Hammer for his biggest and most dangerous case yet.

In the midst of a Manhattan snowstorm, Hammer halts the violent robbery of a pair of college sweethearts who have stumbled onto a remarkable archeological find in the Valley of Elah: the perfectly preserved femur of what may have been the biblical giant Goliath. Hammer postpones his marriage to his faithful girl Friday, Velda, to fight a foe deadlier than the mobsters and KGB agents of his past: Islamic terrorists and Israeli extremists bent upon recovering the relic for their own agendas.

Completed after Spillane's death by his frequent collaborator, Max Allan Collins, this thriller is as classic as Spillane's own *I, the Jury* and as contemporary as *The Da Vinci Code*.
