This book is in loose leaf form, however, I am including my binder which I kept it in when I used it. It also includes the access code for the Stats Portal web site, if your instructor chooses to use it. It is a 12-month access code and I only used it for 3 months, so if you need it has a remaining 9 months that you may use it! The material is in excellent condition, I only used for an 8-week course.
