Melissa had been fantasizing about her hot coworker, Josh. He needed volunteers to practice massage on, and she jumped at the chance. Soon, Josh wanted to practice sensual massage. She was nervous at first, but in the end had the best orgasm of her life! This sexy short is 4,900 words and features descriptions of hardcore hetero sex, as well as sensual and erotic massage.

Excerpt:

“And speaking of practice, there’s something new I’ve been studying lately, and I was wondering if you’d be willing to try it.”

“Of course!”

“Well, hear me out first. Have you ever heard of something called ‘sensual massage’?”

“I’m not sure.” Her heart seemed to be in her throat at the thought of doing anything sensual with him.

“Well, it’s a technique that I’m learning outside of my normal classes. It’s a way of drawing out the sexual energy from a person, to help them find emotional, spiritual, and sexual release.” Melissa’s eyes grew a bit wider. “It’s all still very massage focused, but I would be touching parts of you that would be considered unprofessional in most circumstances. If you allow me, no part of your body would be off limits. Please feel free to tell me no. I want you to be comfortable.”

Melissa’s mind was racing. Of course she wanted him to touch her. Was this a weird thing to do though? Should she be worried at all?

“Sure, let’s try. I feel comfortable around you.”

“Okay, great. What I’d like for you to do while I’m out of the room is to undress as normal, except this time, you’ll lie face down on top of a wedge I’ve placed on the table. This will go under your midsection, putting your butt in a more upright position. There will also be no sheet or blanket on top of you. I’ve turned the heat up extra hot today, so you shouldn’t get cold.”

He left the room and Melissa nervously took off her clothes. She got up onto the table, and lay over the wedge. She felt a little vulnerable. When she heard Josh’s knock on the door, she tried to stay calm and told him to come in.
