## Il libro della saggezza (Italian Edition) V. I. J. G.

"All'interno di questo libro non sono contenute verità; non vengono dettate ricette di vita o suggeriti comportamenti giudicati più saggi di altri". Il libro è una raccolta di aforismi dell'autore V. I. J. G. che racchiudono in se il succo di una visione del mondo che cerca di dare una risposta o spiegazione su questioni riguardanti la realtà e la sua conoscibilità, la vita e la morte, l'uomo, la natura, l'arte, l'etica, etc. Il contenuto di quest'opera si concentra sul lettore, cercando di solleticare le giuste corde del suo pensiero per stimolarlo alla riflessione, a cambiare il proprio punto di vista sulle cose, a tenere in considerazione la totalità degli eventi prima di pronunciarsi.

Il saggio non è quello che "sa" la verità e la dispensa agli uomini ma è un uomo che riesce a giudicare tenendo conto della propria ignoranza.
