## Social Lives Wendy Walker

Step into picture-perfect Wilshire, home to some of the most privileged people in the world, where one woman's desperate act could bring the precariously balanced social order crashing down...

Wilshire, Connecticut, the gilded enclave of Manhattan's prosperous elite, appears to be a vision of suburban tranquility: the mansions are tastefully designed, the lawns are expertly manicured, and the streets are as hushed as the complexities in the residents' lives. Rosalyn Barlow, the most envied woman in Wilshire, is waging a battle of social manipulation to silence the scandalous gossip that threatens her daughter's reputation while her self-made billionaire husband grows more and more distant in his young retirement. But for fourteen year-old Caitlin Barlow, navigating life as a teenager in a culture of wealth and sexual promiscuity has become far more perilous than either of her parents knows. Newcomer Sarah Livingston has nothing but disdain for everyone and everything around her and a growing terror at having another child in a world she's come to resent. As she is pulled into the Barlow family's storm, the walls begin to close in around her marriage and the life she once thought she wanted. And for Jacqueline Halstead, who's just discovered her husband is under investigation for fraud surrounding his hedge fund, saving her family from total ruin means doing the unthinkable - and shaking the Barlow family, Wilshire's insular community, and herself to the core.
