For as long as she can remember, Tiana has dreamed about just one thing: having her own restaurant. But after she fell in love with Prince Naveen, she not only got her restaurant, she became a princess, too. Now it's time for her first royal ball—and her first appearance as a princess.

Her friend Charlotte has all kinds of advice on how to act. All Tiana has to do is figure out whether to listen. Featuring lilting text and gorgeous illustrations by one of the film's animators, this jacketed picture book picks up where the movie leaves off with an enchanting new princess story that little girls will love.
