“What’s the matter, honey? Is this your first time?”

Note: This is a steamy romance that takes place in the Wild West!

Not only was Ada proficient in the arts and music, but she could also shoot and ride as well as any man. Though she grew up in a bordello, her virtue remained intact. She had no intentions of becoming a working girl, so she became a mail order bride. She thought that, with her skills, she would be perfect for any rancher, especially the sexy Patrick.

However, the life of a mail order bride is never as easy as it sounds...

She didn't know that Patrick's childhood sweetheart had spent time in a bordello before succumbing to tuberculosis, so she had to keep her past life a secret. No secret remains hidden forever, and when Patrick found out about her family, he shunned her.

When fate forced her hand, Ada had to prove that one’s virtue and honor are not dependent on their past. Could the passionate fire between Ada and Patrick melt away the secret that could drive them apart?
