Assault on Atlantis Bob Mayer

Green Beret Eric Dane and the crew of a U.S. Navy research vessel embark on a dangers quest across space and time in a desperate gamble to change the fate of the earth...

In 10,000 BC, the Shadow approaches and destroys the mighty empire of Atlantis, leaving not trace of it other than vague legend. Only a handful of survivors, priestesses and warriors survive, knowing they must pass their legacy down, so that the next time the Shadow comes, mankind will be better prepared.

Now it has come back. But it wants the entire planet. Across parallel dimensions, the Shadow has consumed Earth after Earth, but one Earth has repeatedly stopped it: ours.

The Shadow's latest assault on the planet left millions dead worldwide, a widening gap in the ozone layer, and a cloud of radioactive gas poisoning the atmosphere. Former Green Beret Eric Dane believes his visions are messages instructing him on how to save the world from complete annihilation.
