The Christmas Wish

The Christmas Wish

Alfie has a very important thing to ask Father Christmas. Other children in the class ask for toys but little Alfie just wants one thing - his sister to come home from hospital.

She has been poorly for a long time and he needs her to come home to dress up as angels and decorate the tree.

Alfie takes his letter to the highest hilltop where the wind howls like a banshee and sets it off on its journey to Father Christmas.

The letter does not get very far. It is found by a robin who knows such things must get to the most important person at this time of year and he sets off for the North Pole.

Will the robin reach Father Christmas in time for Alfie's wish to come true? Will Alfie have his sister home for Christmas day? It's a perilous time for the robin and a fragile time for Christmas wishes.

This heartfelt story may bring a tear to your eye but it will also celebrate friendship and the belief in something magical happening at a special time of year.
