## **The Frozen Shroud (Lake District Mysteries)** Martin Edwards

Death has come twice to Ravenbank, a remote community in England's Lake District, each time on Hallowe'en. Just before the First World War, a young woman's corpse was found, with a makeshift shroud frozen to her battered face. Her ghost - the Faceless Woman - is said to walk through Ravenbank on Hallowe-en. Five years ago, another woman, Katya Moss, was murdered, and again her face was covered to hide her injuries. Daniel Kind, a specialist in the history of murder, becomes fascinated by the old cases, and wonders whether the obvious suspects really did commit the crimes. He spends Hallowe'en at a party in Ravenbank - only to find death returning to this beautiful but isolated spot. Once more, the victim is a woman, once more her damaged face is shrouded from view.
