**American Housewife: Stories** Helen Ellis

**A sharp, funny, delightfully unhinged collection of stories set in the dark world of domesticity, *American Housewife* features murderous ladies who lunch, celebrity treasure hunters, and the best bra fitter south of the Mason Dixon line.**

Meet the women of *American Housewife*: they wear lipstick, pearls, and sunscreen, even when it's cloudy. They casserole. They pinwheel. They pump the salad spinner like it's a CPR dummy. And then they kill a party crasher, carefully stepping around the body to pull cookies out of the oven. These twelve irresistible stories take us from a haunted prewar Manhattan apartment building to the set of a rigged reality television show, from the unique initiation ritual of a book club to the getaway car of a pageant princess on the lam, from the gallery opening of a tinfoil artist to the fitting room of a legendary lingerie shop. Vicious, fresh, and nutty as a poisoned Goo Goo Cluster, *American Housewife* is an uproarious, pointed commentary on womanhood.
