"Too often, Sister, the beautiful things in life are taken for granted, and I realize that you are one of the most beautiful aspects of mine. That's way it's so important for me to tell you now that you are special to me." - Deanne Laura Gilbert

Very few people will ever know you as well as a sister does. She is your connection to the past, present, and future. She remembers all the holidays, birthdays, vacations, and reunions you've shared as a family -- and holds them like treasures in her memory. You can turn to her with all the triumphs and tragedies that each day brings, knowing that she's the one person in your world who will welcome you with open arms and a receptive heart. As you look ahead to the rest of your life, you see your sister always by your side, wherever your individual destinies lead you.

This book is for anyone who has know the joy of having a sister to share everything in life with -- and who has searched for the perfect way to tell her...

"It's funny -- when we were kids, we never thought we'd even like each other, much less love one another. But now that we've grown older and closer, I can't imagine my life without your being an important part of it... I want to thank you... for being the best sister I could ever hope for!" - Donna Gephart
