As a birthday gift on Oprah's 61st years on earth. We will surprise Oprah and present to her a Movie about Oprah's Amazing Life and I will Orchestrate the January 29, 2015 Documentary Movie and feature film about our World Renown Oprah Gail Winfrey. We will recruit Oprah's Family and friends and The Hollywood Army of celebrities and dignitaries worldwide to contribute and people from all walks of life. We will take 2014 to do all the research. This book being the first piece of documented research. This book is a Tribute to a great and inspiring African Heritage woman Oprah Gail Winfrey I have watched on TV and have loved and I am motivated to be a better person by. When I enthusiastically came to the Oprah Winfrey Show for the First Time I was wearing my four piece Green and White African Outfit from Ghana. I was informed that had I came a day or so earlier I would have been on the Mandela show. Later I would learn that Oprah has Zulu in her DNA and is a daughter of South Africa. If you want to help do the research and our production then send me your resume and availability iamkingag@yahoo.com
