Can Nia be strong enough to say no to a sexy billionaire?

Nia, a beautiful and smart African American, is just starting to make it in the world of business. Her boss, Mr. Ellis, a real estate developer with a heart for the community, hires her as his personal assistant with one very special provision: she must be available for him 24 hours and live in his mansion.

Being a young and talented woman, she works hard handling everything that Mr. Ellis requires of her. While Mr. Ellis values her business acumen, he also needs her talents for more personal tasks as well – like ushering his previous night's conquests out the door in the morning.

But what happens when the sexy billionaire starts to work his charms on Nia? She begins to question the real reason why he had hired her in the first place. And, an unexpected pregnancy has her wondering if Mr. Ellis is really the person she wants to have a child with.

Nia is one woman that knows what she wants out of life and she won't hesitate to go after it, at any cost.
