The Princess and the Pea

The Princess and the Pea

The prince is looking for a true princess to be his wife, but all the girls he meets are too rude, too vain, or too greedy. One stormy night a young woman knocks on the palace door claiming to be a princess, so the queen decides to put her to the test. Will she feel the pea underneath the huge pile of mattresses?

This classic fairy tale is wonderfully brought to life by the soft, colorful illustrations of popular illustrator Maja Dusíková.
