[(Understanding Land Warfare)] [Author: Christopher Tuck] published on (May, 2014) Christopher Tuck

Understanding Land Warfare provides a thorough grounding in the vocabulary, concepts, issues and debates associated with modern land warfare. The book is a thematic, debate-driven analysis of what makes land warfare unique; how it interacts with the other environments; the key concepts that shape how it is executed; the trade-offs associated with its prosecution; and the controversies that continue to surround its focus and development. Understanding Land Warfare contains several key themes: the difficulty of conducting land warfare the interplay between change and continuity the growing importance of co-operation the variety of ways in which land warfare is fought; the competing theoretical debates; the tensions and trade-offs. This book will be essential reading for military personnel studying on cadet, intermediate and staff courses. In addition, it will also be of use to undergraduate and postgraduate students of military history, war studies and strategic studies.
