Bread Alone: A Novel Judith Ryan Hendricks

The life of 31-year-old trophy wife Wynter Morrison suddenly changes course when her husband announces one evening that their marriage is over. Emotionally devastated and desperate for a change of scenery, Wyn moves to Seattle where she spends aimless hours at a local bakery, sipping coffee and inhaling the sweet aromas of freshly-made bread. These visits bring back memories of her long-ago apprenticeship at a French *boulangerie*, and when offered a position at the bakery, Wyn quickly accepts -- hoping that the rituals of baking will help her move on.

Working long hours among the bakery's cluster of eclectic women -- Linda, the irascible bread baker; earth mother Ellen and her partner Diane; and Tyler, the blue-haired barista -- Wyn awakens to the truths that she missed while living the good life in Hancock Park.

Soon Wyn discovers that making bread possesses an unexpected and wondrous healing power, helping her to rediscover that nothing stays the same... bread rises, pain fades, the heart heals, and the future beckons.

From reader reviews:

Shirley Kistner:

Often the book Bread Alone: A Novel has a lot of information on it. So when you check out this book you can get a lot of advantage. The book was written by the very famous author. Tom makes some research prior to write this book. This particular book very easy to read you will get the point easily after reading this article book.

Samantha Williams:

The reason? Because this Bread Alone: A Novel is an unordinary book that the inside of the reserve waiting for you to snap that but latter it will shock you with the secret that inside. Reading this book next to it was fantastic author who else write the book in such incredible way makes the content on the inside easier to understand, entertaining approach but still convey the meaning completely. So , it is good for you for not hesitating having this anymore or you going to regret it. This unique book will give you a lot of benefits than the other book get such as help improving your skill and your critical thinking approach. So , still want to hold up having that book? If I have been you I will go to the guide store hurriedly.

Donna Hufnagel:

Do you like reading a publication? Confuse to looking for your best book? Or your book had been rare? Why so many query for the book? But just about any people feel that they enjoy regarding reading. Some people likes examining, not only science book but additionally novel and Bread Alone: A Novel or maybe others sources were given know-how for you. After you know how the great a book, you feel want to read more and more. Science publication was created for teacher as well as students especially. Those guides are helping them to increase their knowledge. In other case, beside science book, any other book likes Bread Alone: A Novel to make your spare time far more colorful. Many types of book like here.

Fern Gooding:

As a college student exactly feel bored to help reading. If their teacher questioned them to go to the library or make summary for some book, they are complained. Just very little students that has reading's heart or real their pastime. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that looking at is not important, boring as well as can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Bread Alone: A Novel can make you truly feel more interested to read.
