COMPELLED is a ministry that equips followers of Christ to share their faith in an intentional, relational, and relatable way within their sphere of influence. It originally began because God, in His grace, decided to use an ex-antagonistic atheist and transform him into a lover of Jesus, reaching many people for Christ. With the encouragement of a few godly people, God has used this ministry to expand His kingdom. The ministry began as a “beta” version, teaching thirty young adults over six months. Now, Compelled has been developed into a full-length training curriculum, which can be used for any organization, church, or small group looking to equip their people to share the Gospel in a practical way.
