Aceitação (Comando Sul Livro 3) (Portuguese Edition) Jeff VanderMeer

É inverno na Área X, a misteriosa região selvagem que há trinta anos desafia explicações e repele pesquisadores de expedição após expedição, recusando-se a revelar seus segredos.

Enquanto sua geografia impenetrável se expande, a agência responsável por investigar e supervisionar a região — o Comando Sul — entra em colapso. Uma última e desesperada equipe atravessa a fronteira, determinada a alcançar uma remota ilha que pode conter as respostas que eles tanto procuram. Se falharem, o mundo do lado de fora estará correndo perigo.

Aceitação, o último livro da trilogia, conecta os dois livros anteriores, Aniquilação e Autoridade, em capítulos breves e acelerados, narrados da perspectiva de personagens cruciais. Página após página, os mistérios são aos poucos solucionados, mas as consequências e as implicações dos acontecimentos passados jamais serão menos profundas ou aterrorizantes.

“Assustador e fascinante.” **Stephen King**

“O leitor termina o livro transformado, assim como todos os expedicionários que visitaram esse lugar inexplicável.” **Kirkus Reviews**
