The storm has passed -- but the adventure has just begun!

Fans of WARRIORS and WOLVES OF THE BEYOND have a new animal adventure series to sink their teeth into!

Shep the German shepherd doesn't know why his family has left him alone, nor does he understand the terrible, shrieking storm that tears apart his city. He just knows that the new pack of dogs he's met are his best chance at survival -- especially now that they've made enemies of the wild dogs in the city. Can Shep keep his new friends safe until his family -- maybe -- returns?

"Curl up with your kibble and savor this incredible story of dogs left behind when a hurricane sweeps through their city. This page-turner follows stalwart Shep and intrepid Callie, who despite her 'yapper' size is up to her muzzle in courage, as this extraordinary canine duo braves their new environment and forms a new pack. Dayna Lorentz has delivered a book with bite--and with a great heart."

Kathryn Lasky, author of *The Guardians of Ga'Hoole* and *Wolves of the Beyond*

Is it an individual who having spare time in that case spend it whole day by simply watching television programs or just lying on the bed? Do you need something new? This Dogs of the Drowned City #2: The Pack can be the answer, oh how comes? It's a book you know. You are and so out of date, spending your free time by reading in this new era is common not a geek activity. So what these books have than the others?

Cynthia Tso:

As a scholar exactly feel bored to be able to reading. If their teacher questioned them to go to the library or even make summary for some reserve, they are complained. Just minor students that has reading's internal or real their pastime. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that examining is not important, boring and can't see colorful photos on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Dogs of the Drowned City #2: The Pack can make you feel more interested to read.
