## **For Presidents Who Want to Change the Future** Ed Kliegman

This is a guidebook specifically for men and women who are interested in (or who are already in) a position of leadership within an organization. Though brief, the book contains invaluable information. It is one of those staples that should be handed to a new president when first coming aboard. The information is superb; it's delivered in a no-nonsense, dry manner. It is a perfect complement to the corporate world.
