When it's time to go back to the daily grind, it's easy to miss the fun and excitement of vacation — especially if you've just spent time in a city like Las Vegas. Home to the world's most fabulous casinos, the fascinating wildlife of the Las Vegas Zoo, and more than one drive-through wedding chapel, it's the type of place that delights anyone who visits. It's a destination you'll never forget — one that would make you want to send postcards to all your friends and family.

Greetings from Las Vegas features a four-layer die cut diorama of the city's skyline, as well as four such postcards highlighting the best parts of Sin City. But this book also includes loads of fun facts about everything from songs with lyrics about Las Vegas to trivia about the people, the places, and the unique culture of the Nevada town. It's the perfect keepsake for anyone nostalgic for days rolling dice, playing the slots, or lounging by the pool — or anyone who's ever dreamed of doing it.
