Award-Winning Finalist: New Age (Non-Fiction) -- The 2015 USA Best Book Awards

Hidden away for long millennia and prophesied to appear in modern times, the oldest sacred text in the world reveals what awaits us all in *The Book of Secret Wisdom*.

When the world's attention is anxiously drawn to Syria being in shambles, there is another, but positive event that the famous Bulgarian clairvoyant and prophetess Vanga predicted in 1979 to fulfill in modern times: "The oldest teaching will come into the world. They ask me, 'When will it happen, will it happen soon?' No, it will not happen soon. Syria has not fallen yet..."

The time has come and *The Book of Secret Wisdom* reveals on its pages an excerpt from the million-year-old manuscript widely known as the *Book of Dzyan*. This is the oldest teaching in the world that has served as the source of every ancient religion, philosophy, and science. It was originally written in Senzar, a divine language from which the tongues of all peoples throughout the ages originated. The teaching was secretly hidden in the heart of Tibet, being accessible only to a few chosen ones over the entire course of human history, including Gautama Buddha, Jesus Christ, Lao-Tzu, Pythagoras, Plato, Apollonius of Tyana, Paracelsus, Helena Blavatsky, Nicholas and Helena Roerich. In 1995, Dr. Zinovia Dushkova -- an award-winning Russian author and researcher of ancient mysteries -- after three years of severe probations by the guardians of the sacred teaching, gained admittance to the mysterious *Book of Dzyan*, being allowed to translate the excerpt consisting of twelve stanzas and present it to humanity.

Through the poetical beauty of language, the twelve stanzas from the *Book of Dzyan* embrace the past, present, and future of both humanity and Earth. Thus, these stanzas, supplemented with an exclusive esoteric glossary available in *The Book of Secret Wisdom*, enable you to find answers to questions such as:

- What is behind the processes currently affecting our planet, which manifest daily in anomalous weather, global warming, and natural disasters around the world?
- Why does it seem that more and more evil is appearing every day, manifesting itself through growing conflicts all over the world?
- What really happened in 1999 and 2012?
- What is the Great Event expected to occur in 2017, and how does it depend upon the collective will of humanity?
- What awaits humanity in the immediate future?
- Why does it seem that time is speeding up?
- What is the famous Philosopher's Stone?
- Why are people dying, and is there a chance to be immortal?
- When will Armageddon happen?
- What is the mission of our planet and of every being in the Universe?

Containing information and knowledge that has never appeared anywhere else before, *The Book of Secret Wisdom* brings a heart-warming message of love and hope for the human race, which is currently at a

decisive point in its development. However, Dr. Dushkova encourages readers to examine the evidence presented and then listen to their own hearts alone. She states, "When you feel the words which are voiced here in the depths of your own soul, you may listen to yourself and trust what is said."
