In this final book of the 299 Days series, *The 43 Colonels* celebrates the many "ordinary" men and women who did extraordinary things during and after the Collapse. Set in the chambers of the New Washington Legislature during a joint session of the House and Senate, Governor Ben Trenton honors Colonel Grant Matson and 42 other individuals who helped start the Restoration. From a personal trainer who became a spy disguised as a water boy, to a homeschooling mom who protected children's minds from Loyalist propaganda, to a young computer hacker who used his skills to get classified information to Oath Keepers, and a Special Forces operative who conducted some amazing missions, the stories of these modern-day Patriots, both heart-wrenching and inspirational, demonstrate how anyone can help in a revolution.
