Now from Bedford/St. Martin's, *A History of Western Society* is one of the most successful textbooks available because it captures students' interest in the everyday life of the past and ties social history to the broad sweep of politics and culture. The tenth edition has been thoroughly revised to strengthen the text's readability, heighten its attention to daily life, and incorporate the insights of new scholarship, including an enhanced treatment of European exploration and a thoroughly revised post-1945 section. With a dynamic new design, new special features, and a completely revised and robust companion reader, this major revision makes the past memorable and accessible for a new generation of students and instructors.
