Deans of Women and the Feminist Movement: Emily Taylor's Activism (Historical Studies in Education) K. Sartorius

This book explores how deans of women actively fostered feminism in the mid-twentieth century through a study of the career of Dr. Emily Taylor, the University of Kansas dean of women from 1956-1974. Sartorius links feminist activism by deans of women with labor activism, the New Left movement, and the later rise of women's studies as a discipline.
