It was the first orgasm Shelley Schwartz ever faked. She swore she'd never do it, but she was late for a career-saving meeting at Schwartz and Associates and her options were limited. If she'd faked it five minutes sooner, she might have earned her father's approval, won the account, and bested her rival and the company golden boy, Ross Morgan.

Calm, cool, and always collected, Ross is the perfect person to take over the ad agency her father founded—and the perfect opposite of Shelley, who's distracted by her mother's relentless matchmaking and her big sister's marital meltdown. Is it any wonder her father has entrusted the agency to the blond, Porsche-driving Ross rather than his own flesh and blood? To add insult to injury, Ross—her new boss—has stuck Shelley with the client list from hell (Falafel Hut, anyone?). But if he thinks he's going to chase Shelley Schwartz out of her family legacy, he's got another thing coming. And if Shelley thinks she can resist Ross's charms, she's got some surprises in store as well.
