In the near future, after The Collapse, work is hard to come by. The economy is in ruins, much like the city crumbling around Janet, a woman who has lost everything – her husband, her job . . . her leg. When the lure of a job brings her out on the increasingly dangerous streets she must confront the deadliest of new fears – the bands of cannibals who roam the city. With a ragtag group of bikers, strippers and survivors Janet must face down the most dangerous night of their lives. When dawn comes, not everyone will live to see a new day and dance at the Stripper Pole At The End Of The World.
